## *Alma Mater*

Everett High, so true,  
How we all love you!  
And we're proud to say,  
"You belong to us alway."  
Everett High, we call  
Greatest school of all,  
Victory or defeat,  
We'll all repeat  
Our praise for Alma Mater,  
Everett High.

## *Foreword*

*The Class of 1957 presents this twenty-first volume of the Warrior with great pride. We consider this as the final gesture of our class to perpetuate itself in the memories of future years.*

*In passing from one phase of our school activities into another, you will become acquainted with "Dennis the Menace," who comes to visit us in this book. As you follow this funny little character through its pages, you will meet our friends: the faculty members, who provided a basis for our scholastic advancement; the underclassmen, who shared our happy times; and those who provided enjoyment for our leisure hours.*

*We hope that as you read this in the future you will remember us with kindness.*

## *Dedication*

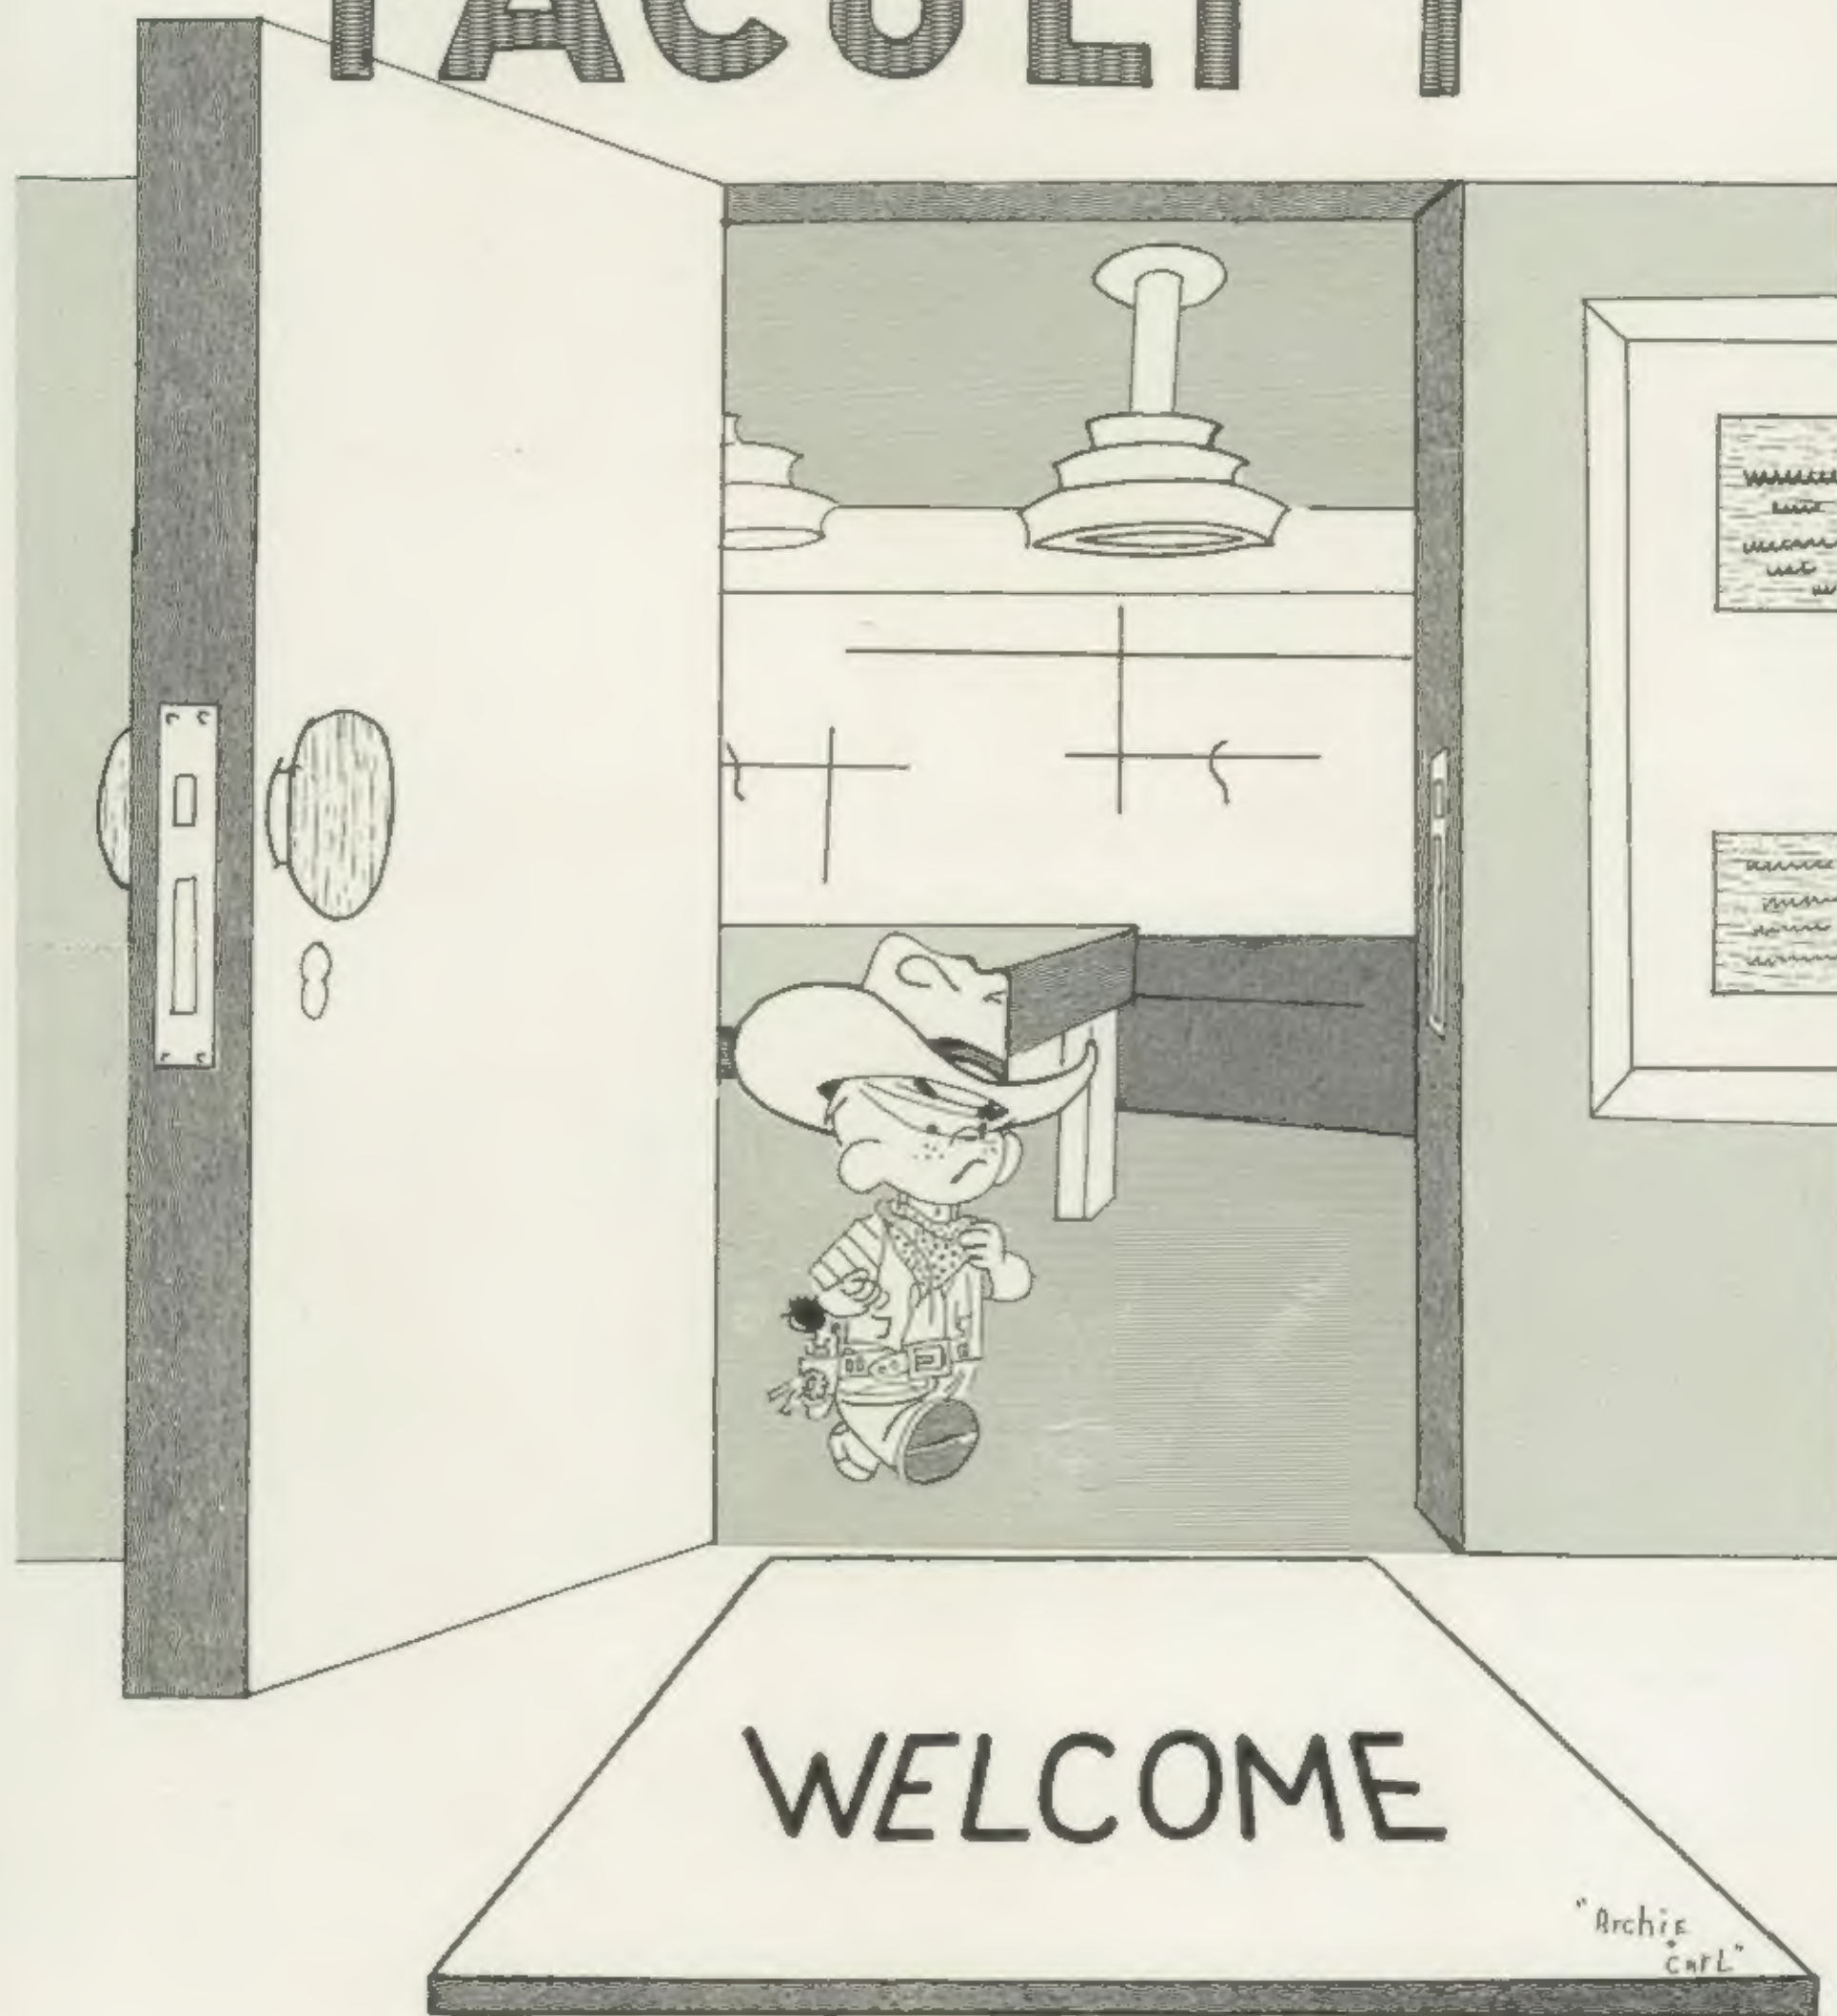

THELMA E. MORSE

*We, the Class of 1957, dedicate this volume of the Warrior to Thelma E. Morse.*

*Miss Morse has been senior class advisor and senior English instructor since 1948. In appreciation of her unselfish efforts and untiring long hours of labor in preparing the seniors for graduation, her valuable guidance to the Warrior and Parrot staffs, and her active part in the various school activities—we dedicate this book.*

## *Senior Class History*

On September 4, 1953 we entered the portals of Everett Southern High School meek, bewildered freshmen. As we walked through its halls, we realized the door to a new kind of life had been opened. And then as we became accustomed to our everyday surroundings, we took part in varied activities both individually and as a class. As the year closed, we were very much a part of high school.

After a short vacation we returned to our little red schoolhouse. We recreated exciting summer events and finally settled down to the year ahead—a year of much activity. We sold sweatshirts and scarves and also sponsored a skating party to make money. The year passed quickly.

And then we were JUNIORS! But we were in a strange setting! We had moved into a beautiful new modern building. We had moved into a new type of activity. We produced our first class play "We Shook the Family Tree." We purchased our class rings and in May played host to the seniors at the Junior Senior Banquet and Prom. The theme for the prom was "Moonlight and Roses."

Seemingly overnight it had happened to us. We were SENIORS. Many things were to be done before graduation but all could be taken care of. Senior pictures were taken, work was begun on the Warrior, and name cards and announcements were ordered. We were measured for caps and gowns and chose our class colors, flower, and motto. We sold magazines, breaking all previous records.

We presented our second class play which was entitled "Hangman's Noose" and finally we traveled to Washington, D.C., for our senior class trip.

As Baccalaureate and Commencement approach, we realize we shall soon be closing the door of our high school career. The friendships we have made, our many achievements, our fond memories of Everett Southern High School will long be with us.

### CLASS HISTORY

The time was the fall of 1954, the setting was the old high school and the first act of a wonderful, never to be forgotten play was occurring. The play might be called 'The Best Years of Our Lives,' and the players included every one of those excited freshmen about to begin the long trek to graduation.

The second act, our sophomore year, found us entering a new high school but this time we were confident because we knew we belonged and were a vital part of ESHS. We even sponsored a skating party and sold sweatshirts.

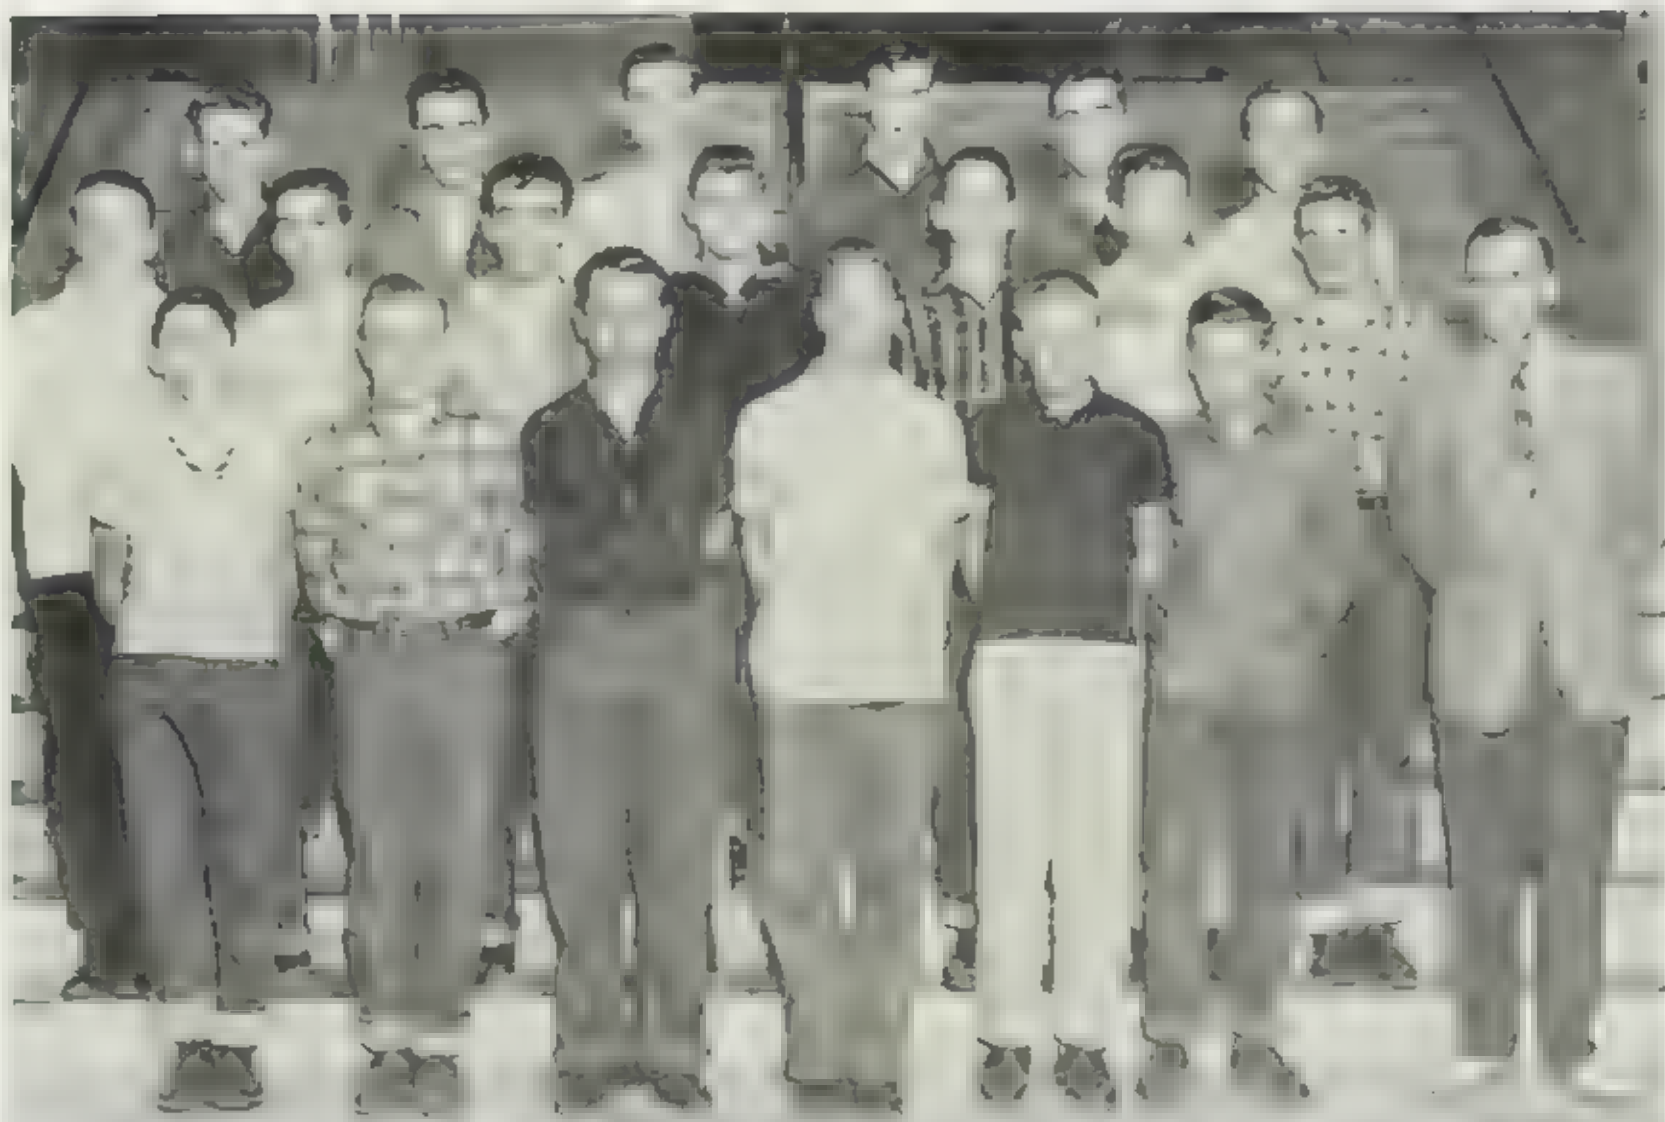

Now it's Act Three and we're juniors taking part in everything possible. We are aiding our treasury by selling candy. Our class play, 'Clementine' was a grand success and a wonderful experience. We are waiting patiently for the arrival of our class rings. We are also waiting anxiously for the work, worry and wonder of the Junior Senior Prom lying just ahead.

As we approach the fourth and final act of our drama and though we are saddened by the loss of many of our players we hope the Class of '58 will give the world many fine citizens and will be remembered long at ESHS.

We, the Class of '58 want to take this opportunity to wish the Class of '57 much happiness and success in the future. They have set a fine example for us and have made many friends who will not soon forget them.

### CLASS HISTORY

In 1955 we entered the new high school as freshmen. We were shy, scared, proud, and a little weak-kneed, but to our astonishment—so was everyone else. With the help of our advisors we planned and carried through a skating party. As sophomores in 1956, we were not so shy or scared but proud. Early in the year we were saddened by the death of our classmate, RICHARD SUITERS. We undertook some money-making projects and began to look forward to our junior year, for we knew it would hold as much fun and excitement as all the others.

Clubs and other extracurricular activities are an integral part of a high school education. They give the students an opportunity to participate in their hobbies, further their interests and exhibit their talents. They are a form of relaxation after a hard day in the classroom. A great deal of credit should be given to the teachers who sponsor these activities.

"All set? You bet!" is a familiar sound to the students at ESHS. It means a cheer is about to begin and everyone can now release suppressed energy. The cheerleaders stimulate and support the Warriors as they fight to win. Besides inspiring our team, they work out new cheers, lead us at pep meetings, sock hops and banquets and act as ushers at athletic events. One of their favorite cheers is

Red, White, fight!  
Red, White, fight!  
Red, White! Red, White!  
Fight! Fight! Fight!
